

Thornborough Village School Report to the open meeting.

Thornborough Infant School is going through a 'turbulent' time. Intake is low and because we are an infant school, parents are seeking schools that are combined. Up to Year 6. Parents have also lost faith in our 'Feeder' School. Birth rates are low and continue to be so in our catchment area too.

The governing body and I have plans, but parents need to be informed first. This is happening the week beginning 20th May. Once the parents have been advised, I would like to share updates with the Parish. Once decisions have been made - we would welcome the support of the community and the Parish.

Many thanks
Olivia Quirke
